Incoterms Rules and Standards
<p>Incoterms only relate to trade terms in the contract of sale between the buyer and seller and do not deal with the contract for carriage.</p>
<p>The roles and responsibilities listed on the front of this document can be altered / changed as long as there is an agreement between the buyer and seller.</p>
<p>Incoterms do not identify where the transfer of ownership or title occur. A separate statement regarding ownership / transfer of title should be included on the purchase order, contract, quote, proforma invoice and commercial invoice.</p>
<p>Incoterms are not all inclusive and cannot address issues such as customary operations of carriers, port, trade government regulations etc...</p>
<p>Incoterms are written to reflect rather than dictate trade practices.</p>
<p>Only two incoterms express when insurance is to be bought and issued - CIP and CIF.</p>
